

Worship With The Word

Song of Solomon 1 – 8

Worship Cycle # 1

Page 1 of 4

Bride

1:2 Let Him kiss me with the kisses of His Word

Kiss my heart with the deepest things of Your word
Awaken my heart
Sing to my spirit
Sonnets of love
Songs of love
Deep love calling to deep love
Your words are like honey
Sweet are Your lips
Beautiful are Your words
Life and love are in Your words
Speak light into the darkness of my soul
My heart longs to hear the softness of Your voice
Call my name in the night
I want to know Your voice

For Your love is better than wine

Your love intoxicates me
I drink of Your love
Your love exhilarates my heart
Your love is better than the finer things of this world
Nothing can compare to Your love
I love loving You
You are my first love
I love because you first loved me
Fire of Your love
Only Your love can satisfy

1:4 Draw me after You

Take me to the deep places in You
Draw me to Your side
Cover me with Your wings
Beckon me to Your side
You call my name
Carry me away
Transport me to Your throne of grace
You steal my heart with Your Beauty
Draw me close to You
Never let me go

Let us run together

Where You go, I go
Let me partner with You in ministry
I will follow after You
Lead me to where You want me to be
I will go at Your pace
I don't want to be left behind
Making disciples for You, together
Working in ministry with You
United with You, Jesus
Bound together with one heart
Keep me in step with You
You will not lead me astray
Let us run over the mountains
Running through the valleys
With You there is safety
With You there is direction
With You there is completion
You are the prize I run for

1:5,7 My heart is dark, but I am lovely to You, oh God

I am sinful but righteous in You
You see in me what You made me to be
Show me what You see in me
The image of You, Jesus, is what You see in me
I am washed in Your blood
You see through the depths of my sins and find the good You placed in me
You separate the darkness from the light
I am wonderfully made by You
By Your hands I am fashioned
Open my eyes to see what You see
Let me know the real me You see

Tell me Jesus

Whisper Your love to me
Shout Your love to me
Speak to me
I need to hear You
Show me Jesus the things You want me to know
Demonstrate Your love
Help me to see Your love
Your words speak life to me
Your words speak love to me
Your words are truth and life
I live by the words that come from Your mouth
I long to hear You
Your words find their way to my heart
I feed on Your words

Oh You, Whom I love

My first love
The desire of my heart
Lover of my soul
The treasure I long for
The reason my heart beats
The fire of my passion
My reason for living
Fill my thoughts with You
Give me the love the Father has for You
I worship and adore You

Worship With The Word

Worship Cycle # 1

Page 4 of 4

Where will You feed my heart?

Show me the depths of Your love

Feed me in the secret place

Feed me on the mountains

Feed me in the valleys

Feed me from the storehouse of Your love

Feed me as I minister to Your flock

How will You satisfy the longing that is within me

I am starving for Your affection

I hunger for You

I hunger for more of Your love

I eat up Your love

You are the Bread of Heaven

I fast from the things that are not of You

I feast on You

You prepare a love feast for me

I come to Your banqueting table of love

Feed me with the words of Your mouth

Take me to the Wedding Banquet
