By night on my bed, I sought the One I love, my beloved God. "I will rise now to seek the One I love." Jesus, You Alone are my exceeding great reward, where else can I go? "Oh, watchman! Have you seen the One I love?" When I find the One I love, I will hold Him, I will never let Him go.

### **By night**

The dark times of life  
Dark night of the soul  
Spiritual night  
In my dark circumstances  
In the wilderness  
In my times of temptation  
In the late hours of the day  
In my sleep  
As the church sleeps

### **On my bed**

An empty resting place  
Emptiness of heart without Jesus  
In my comfort zone  
Time alone  
Secret place

### **The One I love**

I am my Beloved and He is mine (vs.2:16)  
I am a lover of God  
My reason for living  
The fire of my desire  
My All in all  
The Captivation of My Heart  
My Comfort  
Makes me dizzy  
One Who Satisfies my Longing  
Tender Lover of My Soul

### **I sought the One I love**

I search out Your affection  
I look for Your love  
Seek first the kingdom of God  
I don't lose heart  
I stir myself up to take hold of Him (Isa 64:7)  
I look for Your dwelling place  
The secret place of Your habitation  
I seek Your face  
I call out to You  
Keeping watch day and night  
Looking for Your return

### **I will rise up to seek the One I love**

I will come to You  
I will go where You go  
I will leave my comfort zone, my bed  
I will obey  
Out of the chamber and into the streets  
I will find You among the people  
Let me hear Your voice so I can find You  
No other reward will do  
No other love is as sweet

### **Jesus, You alone are my exceeding great reward**

No one like You  
You are above all else  
Name above all names  
King of kings  
Lover of everything I am  
You are my great reward  
The prize I pursue  
The only gold under the rainbow  
The treasure of all ages

### Where else can I go?

There is nowhere away from Your love  
Your beauty covers the earth  
I see Your hand everywhere I look  
I cannot run away from You  
You seek me out in my hiding  
There is no other place that I would rather be  
One thing I seek. One thing I desire is to be in Your dwelling place  
gazing at Your beauty. Ps 27:4

### Oh, watchmen! Have you seen the One I love

Brothers and sisters. Do you know the One Who captivates my heart?  
Have you gazed into His beauty?  
Do you know the extent of His love?  
Does He have your heart like He has mine?

### When I find the One I love, I will hold Him. I will never let Him go.

I hold on to You, Jesus.  
I will never let You go.  
You have put a seal upon my heart.  
I am permanently joined to You.  
Your love is better than wine.  
I will hold Your hand as we run over mountains.  
I am held captive by You.  
My eyes are fixed on You.  
I am totally devoted to You.  
I live to love You.  
I love to love You.  
You have conquered my heart.  
You are the prize I reach for.  
You are the treasure I have searched for.  
Nothing can put out the fire of my love for You.  
Many waters cannot quench my love.  
The grave cannot kill my love.  
The north wind cannot cool my love.

Who is this coming out of the wilderness with all fragrant perfumes? Behold, it is the King on His chariot, He comes as the mighty God. He is the Lord of Host. He is the King, He is crowned at His wedding - the day of the gladness of His heart.

### **Who is coming out of the wilderness?**

It is You, Jesus, Who conquered sin and death  
You bring us out of the mire pit  
You have restored our fallen world  
You brought victory through the cross  
You crushed death  
You bring new life to my dead heart  
You bring new life to a dieing world  
You restore my soul

### **With all fragrant perfumes**

You are the Anointed One  
You are the Beautiful Breath of God  
You are the Pleasing Sacrifice  
Your aroma fills the room  
Your essence permeates my soul  
There is none better

### **Behold, it is the King on His chariot**

You come in all splendor  
Come, swiftly, Lord Jesus  
You are the returning conquering King  
You are the Champion of my heart  
You are ready to take the world by force  
Behold, He comes riding on the clouds  
We look for the splendor of Your return  
You are coming to claim Your own

### **He comes as the mighty King**

There is none above You  
You are El Shaddai  
Mighty God  
More of Your love, more of Your power  
All power comes from You
